

Heart Centre, Lucerne Cantonal Hospital

LUCCA – LUcerne Complex and CALcified PCI Meeting

Thursday, April 7, 2022 – 6pm opening session at Radisson Blu Lucerne

Friday, April 8, 2022 – Luzerner Kantonsspital Luzern, Grosser Hörsaal

Dear Colleagues,

We are pleased to announce our complex coronary intervention meeting called **LUCCA – L**ucerne **C**omplex and **C**alcified PCI Meeting. This meeting will be held on Friday, April 8, 2022, in our Heart Centre at Lucerne Cantonal Hospital in Lucerne.

The field of complex PCI and treatment of calcified lesions is advancing rapidly. However, many aspects are still controversial, and study data remains limited. Hence, we have decided to organize an interactive meeting, which aims to discuss current strategies and future aspects. Renowned speakers from Switzerland, Germany, Italy, India, North America and the United Kingdom will present the latest data and developments in the field of complex PCI. We are also pleased to announce the participation of three legends in the field, Prof. Berni Meier, Dr. Achim Büttner and Prof. Antonio Colombo.

We start on Thursday evening April 7, 2022 at 6 pm with an opening session followed by a faculty dinner at the Radisson Blu Hotel in Lucerne.

The sessions on Friday will be accompanied by live cases. We will review the latest techniques for lesion preparation as well as current data on stents and drug coated balloons. Our objective is to create an interactive environment. All speakers and participants will be encouraged to share their views and practices.

The LUCCA meeting is expected to be one of the first meetings to focus specifically on the treatment of complex and calcified coronary lesions in Europe. We are convinced that by creating a faculty of pioneers and experts in this field, we will provide an educational environment and a rewarding course. This meeting will comply with all the regulations regarding the ongoing COVID-19 pandemic. We will keep all participants posted about the travel and safety regulations in Switzerland.

We look forward to your registration at luks.ch/lucca and to welcoming you in Lucerne in April 2022.

Prof. Dr. med. Florim Cuculi

Co-Chief Physician Cardiology Heart Centre Lucerne Cantonal Hospital

Scientific programme

Thursday, April 7, 2022 – Radisson Blu Hotel Lucerne

- 18.00 **Opening:** Florim Cuculi
- 18.05 Historic perspective of PCI – Do it simple: Bernhard Meier
- 18.25 Complex PCI – How we did it in the early days: Antonio Colombo
- 19.00 **Faculty Dinner**

Friday, April 8 2022 – Luzerner Kantonsspital Luzern, Grosser Hörsaal

Morning sessions

Moderation: Florim Cuculi and Natalia Pinilla-Echeverri

Panelist: Daniel Weilenmann, Antonio Colombo, Lorenz Räber, Carlo di Mario, Holger Nef, Peter Dietrich

- 08.00 **Opening:** Florim Cuculi
- Focus – Intravascular imaging:**
- 08.10 Imaging is the key to success: Natalia Pinilla-Echeverri
- 08.30 Case – Imaging saved my day: Adrian Attinger
- 08.45 Introduction to the live case #1 / LIVE Case: Matthias Bossard / Gregor Leibundgut
- Focus – Lesion preparation:**
- 09.00 Rotablation is all you need: Carlo di Mario
- 09.15 If you have shockwave, you have everything: James Spratt
- 09.30 Pressure is all you need: Holger Nef
- 09.50 Combine and win: Florim Cuculi
- 10.00 **Coffee break**
- 10.15 **LIVE Case:** Matthias Bossard / Gregor Leibundgut
- Focus – Lesion treatment:**
- 10.30 Stents vs. drug coated balloons in complex lesions: Lorenz Räber / Simon Ecclesshall
- 11.00 Wrap-up LIVE Case #1: Matthias Bossard / Gregor Leibundgut
- 11.30 Case – Master the rocks (#1): **NTBD**
- 11.45 Case – Master the rocks (#2): **NTBD**
- 12.00 **Lunch – Meet the faculty**

Afternoon sessions

Moderation: Oliver Gämperli and Daniel Weilenmann

Panelist: Heinz-Joachim Büttner, Stefan Toggweiler, Kambis Mashayekhi,
Gabriele L. Gasparini, Peter Dietrich

Focus – PCI in complex situations:

- 13.00 Introduction to the live case #2 / LIVE Case: Florim Cuculi / Tej Sheth
- 13.15 TAVI and PCI in the same session: Stefan Toggweiler
- 13.30 CTO – Tips & Tricks from the master: Heinz-Joachim Büttner
- 13.45 Hemodynamic support in CHIP: Kambis Mashayekhi
- 14.00 Complex left main PCI: Gabriele L. Gasparini

- 14.15 **LIVE Case:** Florim Cuculi / Tej Sheth
- 14.30 Case – Complication (#1): Peter Dietrich
- 14.45 Case – Complication (#2): Richard Kobza

15.00 Coffee break

- 15.15 Wrap-up LIVE Case #2: Florim Cuculi / Tej Sheth
- 15.45 Treatment of complex coronary lesions – Where's the evidence: Tej Sheth
- 16.10 Where are we going – What's on the horizon? Antonio Colombo
- 16.30 Case – A tricky case (#1): NTBD
- 16.45 Case – A tricky case (#2): NTBD
- 17.00 **Case award session & closing words** Florim Cuculi

Many thanks to our partners
